

SME Regional Showcase: South West & Bristol Region

22nd March 2017 | Bristol

The first Composites UK SME Roadshow of 2017, in partnership with the National Composites Centre, takes place on 22nd March and covers the Bristol and South West region.

These events are designed to showcase the financial and business services available in each region, and includes case studies from local companies highlighting how they have used support and/or collaboration to further their products, technology and customer base.

Topics covered:

- Trailblazer Apprenticeship
- SME Support Programme
- Export assistance
- Funding
- R&D tax credits
- Health & safety and insurance premiums

With case studies from:

- Aro PR and Marketing
- Composite Integration
- Optima Projects
- R-Tech Services
- TMB Patterns
